COUNCIL MESSAGES

Message from Grand Knight: AC Fairbrother

Brother Knights,

Thanks to everyone involved in putting together another wonderful breakfast – and before we even had our May meeting. The first Sunday in June is after our meeting this month so maybe we can come up with ways to get more folks involved and what to do about the July 3rd breakfast.

Every cent is not counted yet, but it looks like the All American Bar-B-Que was a great success. We had well over 200 people who seemed to have a wonderful time enjoying the really good ribs, chicken and everything that went with it. We had our biggest 50/50 pay out in quite a while, \$195 to the winner. Then, we sold left over slabs of ribs, beer and wine for additional profits. It looks like we will make somewhere around \$1,600. So, thanks to Jeff, Paul, Pat, Bruce, Fred, Scott & son, Patric, Jerry, Kirk, Mike Cruz, Frank, Bill, Anthony, Rod, Mike Dezsi, John and especially Dick for a great effort. I want to thank the wives that had a big part in our success, some for the first time, and many who are and have been, very consistently helping our Council.

Our raffle which is our annual fundraiser for Annunciation School was a success as well. We gave away all three prizes (see list of winners) and still had some extra money to go toward our annual donation to the school. We will be able to give the exact donation amount after we review this year's budget.

We are coming to the end of our Council's fraternal year and it is time to elect next year's officers. We have the recommendations from our nominating committee and the list is attached. When it comes up for a vote you may want to nominate yourself or another worthy 3rd degree Knight for any of the available officer positions.

Please plan to attend our next meeting on Thursday, June 2nd at 7 pm. We have lots to discuss, including our election of officers. I will also give you a report on the KofC State Convention held May 27th - 29th.

Vivat Jesus,
Brother A.C. Fairbrother

1st prize (\$3000): Roberta Jones
2nd prize (\$500): Cinda Stukel

KofC Shirts

Anyone interested in purchasing a KofC golf shirt can do so at LogoX-Press, located at 2245-6 Plantation Center Dr., Fleming Island (across from Fleming Island High School). You can order any color. The cost will be the price of the shirt (see the catalog) plus \$9 for embroidering for sizes S - XL; larger sizes will be slightly more. Embroidery will be the same as our current shirts, i.e. KofC logo & Council # above the pocket and your name on the opposite side. You can also take them your own shirt and have it embroidered for \$12. To view the shirts, go to their website, www.logo-x-press.com.

Please join me in thanking our friend and fellow Knight for all he does.

COUNCIL MESSAGES

Message from Insurance Agent: Rick Orr

Only Having “through work” Insurance Doesn’t Work

Do you know anyone whose life or career has been drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty now. Maybe there’s a possibility that you (or your spouse) could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

Only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, without a detailed needs analysis, any employer-provided coverage will likely cause a shortfall at the insured’s death.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire.

You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. It will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.

Protecting Your Family... Business

You already know that the Knight of Columbus is here for all your personal and family financial protection needs, but did you know that the Order can help secure your business too? As your Knights of Columbus field agent, I can help you protect the continuity of your business for years to come.

Business insurance is the term used in the insurance industry to describe the use of life insurance and disability income insurance to solve certain financial needs of businesses and their owners. The products offered through the Order can cover many needs, such as:

- economic loss to the business when a key employee dies;
- disposition of a business owner’s interest upon death or other separation from the business; and
- attraction and retention of valuable employees.

If you’ve worked hard to establish a business, you owe it to yourself and your family to learn about the opportunities that the Knights of Columbus can offer.

With protection for the family, the business, the farm, retirement, long term care and disability coverage, the Knight of Columbus truly is your shield for all the elements of your life.

To learn more about these products, please call me today.
