COUNCIL MESSAGES

Message from Grand Knight: Dennis Witt

Brother Knights,

A big *Thank You* to our past Council Officers for leading us through the 2015 - 2016 fraternal year. Your new Council Officers are at work to emulate your success.

This fraternal year is off and running. Our team delivered another successful Sunday Pancake Breakfast on July 10th. A special thanks to our hard working chefs. They deserve our support by volunteering and helping or at least by just coming to the Breakfast and having a great meal.

One of the items we have discussed at our business meetings, has been developing innovative ways to let our parish know what their Council has been accomplishing. They know that we sell dinner tickets, lottery tickets, Christmas magnets, etc. But do they know where the money has gone, what about our helping fellow parishioners with painting, or youth programs? Please think about this, we need to show that we are trying to model Christ's teachings and enrich our parish.

There was a District Officers Meeting held at St Catherine's on July 23rd. A major, recurring topic was Membership and Insurance recruitment. We have a new Insurance Field Agent, Brother Terence Mahoney. The State has a 1st Quarter goal of 1001 new members by 10/1 (Oct 1, 2016). State has created an incentive to help us achieve this goal. It is calculated on a

Region basis. Our Council is in Region 2. Details can be found on the State Website. Going hand and hand with this is Retention. During this dues renewal season, we need to make every effort to reach out to our Brother Knights, who we have not seen at meetings or events.

Another major item is that our Degree Exemplifications have been reviewed by Supreme and changes have been made. These changes will be sent to each Council. Once received, we will implement, and must be certified by our District Deputy.

The Council Officers Meeting was held on July 26th. The annual budget was reviewed/discussed/modified and was recommended for presentation to the membership for a vote to approve. It was decided to continue our monthly Pancake Breakfasts and our four (4) Theme Dinners. We are hoping to have a German Band at the Oktoberfest Dinner and combine a Sock Hop with the All American BBQ.

Each year depends on the hard work of all the Knights, as we pursue projects that support our Church and neighbors. This Grand Knight knows that your input is the foundation of our Council. In short - most good ideas begin in an involved community of Knights. Therefore, please attend our meetings and do not hesitate to speak-up.

Vivat Jesus,
Brother Dennis Witt

COUNCIL MESSAGES

Message from Insurance Agent: Terence P. Mahoney

The Value of Life Insurance for Children

As a father, you worry about your children and do many things to protect them. We try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance on your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus, it guarantees that more insurance can be purchased for that child without proving insurability.

Unfortunately, as fathers we don't have a crystal ball to tell us the future of our children. Your child could eventually have a rare disease, cancer, or be overweight. Did you know you can purchase a child's policy, in many cases, for less than \$10 a month?

I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretting buying coverage on a child.

Contact me today to discuss the many policy options for child plans 10- and 20-Pay life insurance.

The Need for Membership Referrals

As a professional insurance agent, one of the things I appreciate most is when one of my brother Knight clients or his wife refers another member to me. This is a great endorsement of the service I provided. It tells me that they were so pleased with what I helped them accomplish that they want me to help others achieve the safe level of financial safety and security. When I meet with you, please pass along the names of those who might be able to benefit from the analysis that I provide.

On a similar topic, there is no stronger membership recruiting tool than the referral. How many of us know an eligible Catholic male who is not a member of the Knights of Columbus? Do you have Catholic family or friends, local or not, who have yet to join? Most likely, they've never been asked and don't know enough about the Order to seek out membership on their own.

If you have names of potential members, please pass them along to me or your Grand Knight. Let us know if we can use your name when we contact the gentlemen in question. It's always more effective to tell a candidate for membership that he was recommended by a

current member, especially someone he knows. If the candidate is outside the area I serve or beyond the district of the local councils, I can contact the Supreme Council in New Haven, CT, to follow up on this referral.

New members are the lifeblood of the Order. All the good deeds done by the Order are driven by the members. Over the past decade, Knights have given more than \$1.367 billion to charity and provided in excess of 639 million hours of service. And our membership has merely scratched the surface in North America. Imagine the potential.
