All of the above meetings should be considered mandatory, just like going to school. I know things happen and sometimes you can't make it but please make every effort to participate in everything.

* Parents Night (both parent(s) and youth attend) are required to help everyone understand what is going on and be a part of this process. These are important. You may change the date, but please don't skip.

** BOTS = Breaking Open the Scriptures – We meet at the mass listed and sit together, if possible. After the homily all RCIA participants will go to father's sacristy to talk about the homily, the day's readings and other topics.
