## Message from Grand Knight: Ron Warner

Brother Knights,

This Sunday (6-3) is the first Sunday of the month which means that we are hosting our monthly Knights' Café (Pancake Breakfast) after the 8:00AM Mass. As some of our normal/regular cooks will be absent, please come and help if you can...even if it is simply to enjoy some good food and fellowship.

Please join us for our Social Hour before our June meeting on Thursday, June 7<sup>th</sup> at 6:00PM in Bldg. C. Come enjoy a burger, a cold drink, and some fellowship with your Brother Knights.

Our meeting will start at 7:00PM (and last only an hour). So, please come and lend us your valuable knowledge and input. We are always seeking new ideas of how we can help our Church community.

As some of you know, Paul Wojcik (a Brother Knight and past Grand Knight) passed away. There will be a memorial service for him on Tuesday, June 12<sup>th</sup> at 1:00PM in the Church. All are invited.

Our All American BBQ will be Saturday, June 23<sup>rd</sup> in Sullivan Hall after the 5:30PM Mass. We will be finalizing details during our meeting on Thursday. As always, we welcome any and all input/help.

Please plan to attend the 5:30PM Mass on Sunday, June 24<sup>th</sup> for our Corporate Communion Mass followed by the installation of our new officers. We will also be awarding our annual KofC college scholarship winner, Allison Shannon, before Mass.

Our last event of the busy month will be our annual Challenge Enterprise pool party on Saturday, June 30<sup>th</sup> at the back pool in Pace Island. Further details will be discussed at our meeting. Please join us in rewarding these special members of our community.

This year's KofC state raffle was a great success. Over 200,000 tickets were sold state-wide. Our Council sold over 680 tickets which resulted in us raising over \$340. Thank you to everyone who participated. Sorry to say, no one from our Council won.

Finally, please wear your KofC shirt at Mass during at least the first 2 weeks of June. There are over 1600 men in our parish. Talk to some of them. Encourage them to join our outstanding Council. Let them know that we are an organization of caring men who enjoy helping others. And that once a Brother Knight, always a Brother Knight.

Vivat Jesus,  
Brother Ron Warner  
Grand Knight

## **Only Having “through work” Insurance Doesn’t Work**

Do you know anyone whose life or career has been drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty now. Maybe there’s a possibility that you (or your spouse) could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

Only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, without a detailed needs analysis, any employer-provided coverage will likely cause a shortfall at the insured’s death.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire.

You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. It will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.

## **Protecting Your Family... Business**

You already know that the Knight of Columbus is here for all your personal and family financial protection needs, but did you know that the Order can help secure your business too? As your Knights of Columbus field agent, I can help you protect the continuity of your business for years to come.

Business insurance is the term used in the insurance industry to describe the use of life insurance and disability income insurance to solve certain financial needs of businesses and their owners. The products offered through the Order can cover many needs, such as:

- economic loss to the business when a key employee dies;
- disposition of a business owner’s interest upon death or other separation from the business; and
- attraction and retention of valuable employees.

If you’ve worked hard to establish a business, you owe it to yourself and your family to learn about the opportunities that the Knights of Columbus can offer.

With protection for the family, the business, the farm, retirement, long term care and disability coverage, the Knight of Columbus truly is your shield for all the elements of your life.

To learn more about these products, please call me today.
