COUNCIL MESSAGES

Message from Grand Knight: Kirk Nicholson

Brother Knights,

Gentlemen, it is truly an honor to be chosen by you to lead our Council for the 2020-21 fraternal year. When I joined several years ago I could not imagine being in this position. My biggest hope is that with your support I live up to your expectations and continue to lead us forward as everything around us continues to change. I look forward to helping us navigate through all the changes we must make to continue the work that Father McGivney began so long ago. We now need prayers of support now more than ever. Thank you for your trust and support.

Our final event of the 2019-20 fraternal year will be this Saturday (6-27). We will be having a take-out BBQ Chicken Dinner.

Our first Council meeting for the new fraternal year will be Thursday, 7-2, in the Activity Center. We will begin by sharing a meal (pizza) at 6PM followed by our meeting at 7PM. As with other church events, a mask is required.

The installation of our new officers will be Saturday, 7-18, after the 5:30 Mass. Please plan to join us.

Our next major event/fundraiser (Top Shelf Bourbon, Dinner & Cigar Night) will be Friday, 8-28. Tickets are \$50/person or \$80/couple. Please contact Ron Warner (904-887-3566) for details and/or for tickets.

In closing, please be as active in our Council as you can...I can use all the help that I can get. Remember, the more you give, the more you will receive.

Stay Safe & God Bless,
Brother Kirk Nicholson
Grand Knight

COUNCIL MESSAGES

Message from Insurance Field Agent: John F. Molley

Your Shield of Strength

The Knights of Columbus insurance has weathered the storm when many others haven't, because we know how to navigate. We've weathered the storm when others made costly mistakes, because we don't take on unnecessary risk.

Our strength is undeniable. More members than ever before see it, and are using our shield to protect their families. Are you?

If you need life insurance – and chances are you do – why would you look anywhere else? We also offer outstanding Long-Term Care (LTC) and Disability Income (DI) insurance. Let us be your shield.

Did you know that the Knights of Columbus is one of the largest life insurers in North America? The Knights of Columbus has surpassed \$100 billion of insurance in force, and is a member of the Fortune 1000.

Did you know that the Knights of Columbus consistently earns the highest possible ratings for its ethical business practices and sound investment strategies? A.M. Best, a global leader in the rating and analysis of insurance companies, has given the Knights of Columbus their highest financial strength rating (A++, Superior) for 40 consecutive years. There is simply no more highly rated insurance company in North America than your Knights of Columbus. And, last year, the Knights of Columbus was again named a "World's Most Ethical Company" by the Ethisphere Institute.

Did you know that providing financial benefits for members was *the* reason that Venerable Father Michael McGivney founded the Knights of Columbus? Our founding charter from 1882 makes it clear, the Knights of Columbus' primary goal is "to render financial aid to its members and the beneficiaries of members."

We have products and solutions to fit your family's needs and budgets.

Don't Assume You Can't Afford Disability Income Insurance

One of the biggest mistakes you can make regarding disability insurance is to assume you can't afford it or you won't qualify. Before you make that assumption, do some basic research and apply for coverage through the Knights of Columbus. The Order's Income Armor product gives you options that can help you fit this critical protection into your risk management budget.

Here are two ways you can reduce your premium:

1. Choose a 2-year or 5-year maximum benefit period.
(Depending on your age, the best option is probably a policy that pays benefits until you reach age 67. But, a 2-year or 5-year duration benefit period would cover disabilities you might face in your working life.)
2. Choose a longer elimination period.
(An elimination period is the number of days a total disability must exist before benefits begin to accrue. Typical elimination periods are 30, 90, or 180 days. Choosing a longer elimination period lowers the policy's premium. But be sure you have enough set aside in your business's contingency fund to account for the longer gap.)

Let's talk about how to protect your income, your retirement needs, and your family's financial future. There is never any cost or obligation. So, call me today at 904-612-6357 to schedule an appointment.
