COUNCIL MESSAGES

Message from Grand Knight: Kirk Nicholson

Brother Knights,

What do you believe about your past that stops you from being better in the future? We should all take time daily to be with God. We should certainly pray daily, but we should also just spend a minute in quite thankfulness for the wonders around us. I especially enjoy being outside with nature.

All of us have something that brings us joy in our lives. I'm sure you can think of yours now and of all of God's blessings in your life.

Len spoke recently about spending time daily with God in prayer it can be the first thing you do in the morning or when you have a moment when you get started with your day. Fortunately, we can pray at any time and know the Holy Spirit is listening and is pleased that we took that time to spend with him.

I pray that all of you and your families either attend Sunday Mass in person or virtually weekly. I am sure you miss Mass and the closeness of being together with our Catholic brothers & sisters as much as I. I pray that all of you and your families are safe & well.

Our proposed 2020-21 fraternal budget was approved by the Council at our August meeting.

KofC Supreme is hosting a retirement webinar on Wednesday, September 23rd (see attached flyer). Please consider registering & attending as it will help us obtain Star Council.

Sacred Heart will be hosting a public Rosary on Saturday, October 10th. We will be looking for volunteers to help setup, participate, and cleanup for this event. Please let me know, if you can help.

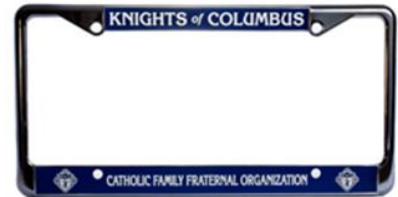

Vivat Jesus!
Brother Kirk Nicholson

COUNCIL MESSAGES

Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that 76% of people polled did not have a personal financial advisor even though 68% of them said their opinion of the current economic conditions was only somewhat favorable or worse.

In other words, a majority of those surveyed were only somewhat comfortable or worse with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this last category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent that you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. **I want and am here to help.**

Another LIMRA statistic said that 43% of people did not buy life insurance because they worry about "making the wrong decision." Scheduling a no cost, no obligation appointment with me will give you the answers you need to make the right decision. So, call me today at 904-612-6357.

Caring for Our Own

The Knights of Columbus isn't just an insurance company. It's a brotherhood, and so we do things differently.

For starters, we extend to each of our members an Accidental Death benefit for free, just by virtue of their membership in the Knights of Columbus. The program – which is only available in insurance jurisdictions – provides a benefit of \$1,000 - \$2,500 upon the accidental death of any member or his spouse (subject to certain age restrictions).

In addition to the Accidental Death benefit, the Knights of Columbus offer a number of free services to our members and their families.

First and foremost, we agents are committed to providing survivor assistance to widows and families left behind after the loss of a loved one.

Secondarily, we offer additional services to help Knights' families plan. For example, Profiles & Forecaster is a comprehensive and complimentary tool that helps you evaluate your family's financial situation, and to determine what insurance protection – if any – may be needed.

To our insurance members, we offer 2 additional programs: the Family Fraternal Benefit Program, and the Orphan Fraternal Benefit Program.

Please contact me today at 904-612-6357 to schedule an appointment to find out more about these and all of the fraternal benefits that you are entitled.
