COUNCIL MESSAGES

Message from Grand Knight: Kirk Nicholson

Brother Knights,

Our Charity Raffle was very successful raising over \$5000 which will allow us to fund the many worthy causes we choose in the coming year! The driving force behind this event was our PGK Ron Warner. He started gathering the prizes about a year ago and it paid off very well. I would like to thank him along with all the volunteers and those who supported our efforts by purchasing tickets that made this first-time event such a success.

Recruiting is one of the greatest challenges we face to continuing our success as a Council. I am aware that this is the greatest push we get as an organization every year. But, I look at it as the best way to strengthen our Council and a good way to help strengthen our faith with each other and within our parish. Please look at the good Catholic gentlemen in your lives who aren't a member and ask them to join us. If every member were to invite at least one new to join us, we would be have a very successful year.

I also urge every member to wear their Council shirt whenever possible especially at parish events such as Mass.

Now that we are heading into Advent and all the traditions that we have as a Christian family, please take time to reflect on why we celebrate this time of year.

I pray everyone will have a safe and joyful Christmas season. Celebrating this year with our families and friends will be strange and different in many ways, but what a joyous time of year!

Also, please say a special prayer for all our brothers and their families that we lost in the past year. I look forward to serving you and our parish in the coming year.

Vivat Jesus!
Brother Kirk Nicholson
Grand Knight

COUNCIL MESSAGES

Message from Insurance Field Agent: John F. Molley

Update your beneficiaries

Sometimes it is easy to overlook the simplest of things.

Take the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it could very well be that the person you originally selected as the beneficiary is no longer the person you would want to receive the policy proceeds. If you bought the policy when you were single, for example, you may have named your parents as beneficiaries. If you have since married that should be updated to reflect your spouse &/or your children as beneficiaries. Or maybe you have had another child who is not named on our policies.

Most people list a primary beneficiary, who is specifically designated as the first in priority to receive policy proceeds. We also encourage the naming of a contingent beneficiary, an alternate person designated to receive policy proceeds, usually in the event that the original beneficiary predeceases the insured.

I routinely call all of my policyholders for annual review appointments. One of the matters that I'll discuss during this review is the status of your beneficiary designations. If they need updating, and they often do, I can complete the paperwork during the appointment.

I look forward to meeting with you to discuss your family's needs.

Life Insurance as a Gift

The initial reaction for many people when you mention life insurance as a gift is a quick step back and a questioning stare. "How morbid," they may think. While it may seem that way when you first mention it, life insurance is a really thoughtful gift that can be a financial life preserver in tough times.

The problem with life insurance is the general perception. Many think of death instead of the great benefits it provides, and the security that it offers – even while you're alive. Life insurance should be thought of as a precautionary protective measure for a family unit. The purchase of this product can mean saving your home, sending your children to college, and preserving your spouse's quality of life in the event of your death.

One of the times you may want to purchase life insurance is when a family has a new baby. It's a great, low-cost way to set money aside for the future (i.e. college tuition, housing, etc.). Of greater importance, it ensures these children will have insurance as adults, in case an illness later in life makes him/her uninsurable.

As nontraditional as it may be, life insurance is a wise and caring gift.

So, please call me today at 904-612-6357 to schedule a FREE, no obligation appointment to discover all of the benefits that you are entitled.

A PRAYER FOR PROTECTION IN TIME OF PANDEMIC

O Mary, you always brighten our path
as a sign of salvation and of hope.
We entrust ourselves to you, Health of the Sick,
who, at the Cross, took part in Jesus' pain
while remaining steadfast in faith.
O loving Mother, you know what we need,
and we are confident you will provide for us
as at Cana in Galilee.
Intercede for us with your Son Jesus,
the Divine Physician, for those who have fallen ill,
for those who are vulnerable,
and for those who have died.
Intercede also for those charged with
protecting the health and safety of others
and for those who are tending to the sick
and seeking a cure.
Help us, O Mother of Divine Love,
to conform to the will of the Father
and to do as we are told by Jesus,
who took upon himself our
sufferings and carried our sorrows,
so as to lead us, through the Cross,
to the glory of the Resurrection. Amen.

*Under thy protection we seek refuge,
O Holy Mother of God.
In our needs, despise not our petitions,
but deliver us always from all dangers,
O glorious and blessed Virgin. Amen.*
