

Attendance

In order to comply with diocesan guidelines, and for your child to move on to the next grade level, he/she must not miss more than four Religious Ed. classes during the school year. During a sacramental year, only two classes may be missed. All missed classes will all be counted as absences whether it is for a doctor's appointment or a sports event. In the event of extreme absences, make-up opportunities will be provided. (*see below*)

Tardiness

Please make sure your children arrive on time to class! When children come in after class begins it disrupts the entire class. Students who arrive 20 minutes or more after class starts will be marked absent. Students who are tardy (5 to 20 minutes late) three times will incur an absence.

Make-Up Opportunities

There are several ways your child can make up missed classes. **If it is possible for your child to make it on another day, you must first clear it with Sandra or Kristin at least one week ahead.** Please note, that a student will not get credit for making up a class if they just show up to another session. Your child can also attend one of the church services listed below. Please make sure you or your child sign in on the clipboard located in the back of the Narthex to get credit for a make-up class.
