# COUNCIL MESSAGES

## Message from Grand Knight: Scott Sheffield

Hello, Brothers!

Thank you to all who helped to make our Oktoberfest Dinner a success, with a special thank you to Chairman Mike Bruce! We made \$1800 in profit, which exceeds our budgeted amount.

Our next event where we will need your support is our Fall Membership Drive this coming weekend of Nov 5-6. Please wear your Council shirts and plan to spend a few minutes before and after whatever Mass you attend to help recruit new men to help us in the work of the Council.

We also have our Annual Charity Night on Friday, November 18th. This has been our most successful fundraiser since its inception and Chairman Ron Warner can use our help with this event as well. If you can't help with setup, cleaning, or running the event, please consider selling and/or purchasing raffle tickets or donating prizes for the raffle.

We'll continue our partnership with the Parish this month on First Friday Adoration November 4th. Please come and spend some time with our Lord and Savior at the church. See previous email for sign ups or come when you can.

As important as recruiting new members is, reaching out to those already in our Council whom you may not have seen in a while is also important. So, please call those you know and check on them and see how they are doing. If we can help, we will.

Finally, we are still looking for a Life Program Director as Brian Cook is doing double duty with the Family Program. Please pray on this and let me know if you feel called.

As always, please try to help our Brothers in need and if you know of someone or their family member (parishioner or non-parishioner) that is in need, please let us know so we can help. Again, I truly appreciate your efforts in all that we do.

Vivat Jesus!  
Brother Scott Sheffield, Grand Knight

# COUNCIL MESSAGES

## Message from Insurance Field Agent: John F. Molley

### *Ask Eligible Men to Join*

Today, I want to address the growth of the Order. Membership growth is the fuel that keeps this great fraternal engine running. All of our charitable works at the council, state, national and international level are thanks to our hard-working members. And more members equals more charity.

We know that the membership blitz is a tried and true way for councils to get more men to join. We see these pushes often in March, in celebration of Founder's Day, and again in October.

These drives are successful because Brother Knights have increased visibility speaking or presenting during and after Masses and at special events. We must remember that we have a duty to ask each and every Catholic gentleman to join our ranks for the good of the Church, the community and the Order.

During the rest of the year, we often "forget" to ask men to join and to bring their families into the Knights of Columbus family. You probably know an eligible Catholic man you could ask today. What if the only reason he hasn't joined is because no one has asked him yet?

When telling a prospect about the strengths of the Order, don't forget our greatest fraternal benefit: our insurance program. This is often a "selling point" to a potential member who is on the fence. Many members become Knights simply to be able to buy coverage to protect their family. Soon after, they realize the good our charitable works do for their community, and they are proud to be members.

### *Ways to Pay for Whole Life*

We live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with our satisfaction in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

Many companies offer whole life policies that call for premiums to be paid for your entire life or to age 100. However, we also offer whole life coverage that allows you to choose how long you will pay premiums. These policies offer guaranteed cash values and the potential to earn dividends. (Note: Dividends are not guaranteed.)

To learn more about this, and/or our long-term care insurance, and/or our disability income insurance, and/or retirement products, please call me at 904-612-6357 to schedule a FREE, no obligation appointment.
