COUNCIL MESSAGES

Message from Grand Knight: Scott Sheffield

Hello, Brothers!

My thoughts are with you and your families as we begin our Lenten journey through prayer, fasting, and almsgiving. I encourage you to try something new with prayer...maybe commit to one from the Divine Office (the app is free and easy to use). From what should you fast? Maybe from worries and trust in God? And commit to giving sacrificially this season from what God has blessed you with.

Please register for the Fraternal Benefits Night (FBN) webinar scheduled for this Thursday, March 2nd (see attached flyer). Participation in 2 FBN events is a requirement for Star Council. We will be hosting a FBN viewing party after our meeting, but you still need to register prior to the meeting for us to get credit.

We have a couple busy months ahead with some fantastic opportunities to serve our community and parish. PGK Ron Warner will be leading our Day of Service this Saturday March 4th. The more help we have, the more we can get done...let him know if you can help. (Note: This past week Ron & Joe Pourciau have helped our first person by taking down 2 pines trees that had been struck by lightning at Thresa Oliverio's house..see picture on page 6.) Deacon Rich will be leading a Prayer Night on March 10th similar to the one we did last fall. Our Parish Picnic is March 18th at Moccasin Slough Park. Our Family Committee Chairman Brian Cook is working this event and could use your help with cooking. Please plan to attend!

In April, we'll be the Ministry of the Month and have an opportunity to speak at Masses April 15th-16th during our Spring Membership Drive. We'll need help recruiting before and after Masses...more to come on that. And a reminder we'll be supplying lunch during the Confirmation Retreat on Sat April 29th.

Thank you for your continued support of your leadership and our activities! I hope to see you at our meeting on Thursday.

As always, please try to help our Brothers in need and if you know of someone or their family member (parishioner or non-parishioner) that is in need, please let us know so we can help. Again, I truly appreciate your efforts in all that we do.

Vivat Jesus!

Brother Scott Sheffield, Grand Knight

Plan for This Tax Day and Into the Future

Tax Day (usually April 15th) is right around the corner. It's become popular this time of year to encourage the opening of an IRA or similar retirement annuity, or depositing additional funds into an existing account, as a tax-savings vehicle. A secondary approach is to trout the rate of interest that money in one of these accounts can earn. Let me join the chorus of folks encouraging you to open or add funds to an annuity, but for a different reason (and don't worry, I won't sing).

Certainly, contributing money to a Knights of Columbus annuity will allow you to save some money on your income tax return. And our annuities pay a very competitive interest rate, consistent with our primary goal of absolute safety of principal. Opening or adding to an annuity for these reasons, however, strikes me as taking a short-term view of a product that is designed to provide long-term security. How much security? How does a GUARANTEED retirement income that you cannot outlive sound? With the Knights of Columbus, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into that annuity over time can GUARANTEE you an income at retirement that you cannot outlive.

That guarantee, along with the fact that no one has ever lost money left in a Knights of Columbus annuity (absolute safety of principal), really will provide you with peace of mind.

I am happy to meet with you at your convenience and at no cost or obligation to explain the benefits of opening a Knights of Columbus annuity and/or any of our other great products.

So, please call me at 904-612-6357 to schedule your FREE, no obligation appointment.

Only Having "through work" Insurance Doesn't Work

Too many people have often relied on group term life insurance offered through work as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary. But, only having "through work" insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount. These numbers are often capped, and this cap may be dangerously low when compared to your family's actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

Plus, if you leave that employer for whatever reason there is a good chance that insurance is gone. In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. One day you might find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I'll be happy to meet with you and provide a FREE needs analysis, so you'll know exactly where you stand.
