COUNCIL MESSAGES

Message from Grand Knight: Scott Sheffield

Hello, Brothers!

Please join me in welcoming our new pastor and Brother Knight Fr. Marek Dzien to our Council. In my meeting with him he expressed support for our activities and is looking forward to learning more about us at our Business Meeting this coming Thursday, which he will attend. He has graciously agreed to be our Chaplain as well. Please join us!

Please also join me in congratulating Kirk Nicholson, PGK, on his second retirement as Facility Manager for the parish. His service has been outstanding and he has always been willing to assist our Council in any way possible.

Our Officer Installation Ceremony will be after Mass on Aug 26 or 27...exact details to come. All are welcome to attend and support your Officers.

Please consider supporting the Youth Pancake Breakfast after the 8am Mass this weekend (Sunday, August 6th). PGK Ron Warner is organizing the help, let me know if you can assist.

There is a 4th Degree Exemplification Ceremony scheduled for Aug 26th in Jacksonville, details were sent out by email. If you're interested in attending, let me or Carl Volz know and we will assist in connecting you with the local Assembly.

We are still searching for a Membership Director and Community Director...please pray on this and if you feel called let me know. It's not a heavy lift for either job and you will have my support.

If you have not yet paid your dues, please save Joe Porciau extra work and send him payment now or bring it to the meeting this Thursday...thank you!

As always, please try to help our Brothers in need and if you know of someone or their family member (parishioner or non-parishioner) that is in need, please let us know so we can help.

Vivat Jesus!
Brother Scott Sheffield, Grand Knight

COUNCIL MESSAGES

Message from Insurance Field Agent: John F. Molley

The Value of Life Insurance for Children

As a father, you worry about your children and do many things to protect them. We try to raise them right and make sure they are prepared to become adults. But, have you ever thought about buying life insurance on your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus, it guarantees that more insurance can be purchased for that child without proving insurability.

Unfortunately, as fathers we don't have a crystal ball to tell us the future of our children. Your child could eventually have a rare disease, cancer, or be overweight. Did you know you can purchase a child's policy, in many cases, for less than \$10 a month?

I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretted buying coverage on their child.

Please call me today at 904-612-6357 to discuss the policy options for child plans.

Have You Insured Your Most Valuable Asset?

Is your income protected if you become sick or injured and cannot work? Your ability to work and earn an income is your most valuable asset. Yet a disability could prevent you from earning that income. Just one year of a disability could eliminate your savings.

Income Armor, an **individual disability income insurance** product from the Knights of Columbus, should be a key part of your overall financial plan and family's protection.

If you are ill or injured, Income Armor provides tax-free monthly benefits to help you meet living expenses and maintain your family's standard of living. Your monthly benefits help you pay your mortgage and other monthly bills, while your savings and retirement assets remain intact.

In short, if you have a job and don't have a way to protect that paycheck, you should seriously consider Income Armor today.

I've heard some people say they have disability insurance coverage at work, but too many aren't sure what this coverage entails, how much income it would provide or for how long. Having this protection counts for something, certainly, but it isn't "yours"; it's provided by the company for which you work at their discretion. It could be eliminated tomorrow.

Please call me today at 904-612-6357 to schedule a no cost, no obligation appointment.
