**GOSPEL REFLECTION**

John 15:1-8

Jesus gives us an image of the great intimacy and interdependence that exist between himself, his Father, and his disciples: "I am the true vine, and my Father is the vine grower" -and we are the branches.

To remain healthy and productive the vine must be pruned by our vine grower God. This is not to make the Vine Grower a ruthless tyrant, because what is done is done out of love for the vine. Sometimes what needs to be pruned in our lives is the parasite runner of individualism that wants to go its own way, or the sucker that feeds on self-interest; both draw life away from the vine. At other times, our vine-dressing God recognizes our potential for greater fruit-bearing, and with this the need for heavy pruning. After such pruning, a vine may bear no fruit for several years, but it remains rooted and waiting, confident in the tending of the Vine Grower, until both are rewarded with a tremendous, bursting yield. When we yield such a harvest of good works, says Jesus, we give glory to the Father and are confirmed in our discipleship.

What "fruits" are evident in yourself, your family, your community that give glory to God?
